Basement Entertainment & Gym

A 3D architectural rendering of a modern home theater. The room features a large, curved screen displaying the word "NETFLIX" in bold red letters. The walls are covered in dark, textured acoustic panels. The ceiling is dark with several small, star-like recessed lights. In the foreground, there are two large, dark leather armchairs with blue cushions. A low, dark wooden coffee table with a white top holds a tray with a bottle and glasses. A long, low black console sits beneath the screen, with a small decorative object on the right. The floor is covered in a dark, textured carpet. A warm, golden light strip runs along the base of the walls, creating a cozy atmosphere.

NETFLIX
