

SOTO GRANDE

PROJECT BRIEF

A BRIDGE TO ENDLESS VIEWS AND REFINED LIVING

Soto Grande is a contemporary architectural vision that brings fresh elegance to a celebrated community. Defined by modern design and timeless sophistication, it reimagines oceanside living with clarity and distinction.

With sweeping views of the lagoon, the Arabian Gulf, and the Al Hamra golf course, Soto Grande offers a lifestyle shaped by serenity and refinement. From studios and multi-family residences to expansive penthouses, each home celebrates the beauty of Al Hamra, from ocean horizons to verdant fairways to shimmering lagoons.

As Ellington's latest addition to its distinguished portfolio in Al Hamra, Soto Grande paves the way for further visionary projects that will continue to redefine refined living in this sought-after destination.

AL HAMRA

Nestled along the shores of the Arabian Gulf, Al Hamra is a vibrant coastal community that blends natural beauty with modern sophistication. Framed by shimmering lagoons, pristine beaches, and the lush fairways of its championship golf course, it offers a lifestyle defined by leisure, serenity, and refinement. With its world-class marina, upscale resorts, and an array of dining and entertainment destinations, Al Hamra has become one of Ras Al Khaimah's most sought-after addresses.

LARGEST HOLISTIC COMMUNITY IN RAS AL KHAIMAH

Spanning over 77 million square feet, Al Hamra is the largest holistically developed community in Ras Al Khaimah. Designed as a self-sustained lifestyle destination, it brings together every essential of modern living within one vibrant coastal setting. From educational institutions and medical facilities to a world-class mall, luxury hotels, and a championship golf course, Al Hamra seamlessly integrates leisure, wellness, and convenience.

A COMMUNITY SHAPED BY WATER AND CONNECTIVITY

Al Hamra's community design is defined by its seamless connection to the sea. At its heart lies a tranquil water body that flows openly into the Arabian Gulf, creating natural entry and exit points ideal for water taxis and marine access.

With 8 entry and exit gates, Al Hamra ensures ease of movement and accessibility for residents and visitors alike. Adding to this convenience, the new upcoming bridge will further enhance connectivity, significantly reducing travel time to key destinations such as Wynn Resort.

GOLF LIFESTYLE IN RAS AL KHAIMAH

At the heart of Al Hamra is an 18-hole championship golf course that unites sport, leisure, and community. Built to international standards and playable by day or night, it offers a truly distinctive golfing experience.

Set against scenic lagoons, ocean horizons, and lush greenery, the course is more than a venue—it's a lifestyle hub where residents and visitors come together. From seasoned golfers to casual players, Al Hamra's golf culture reflects refinement, recreation, and a sense of belonging in a world-class coastal setting.
