

A scenic landscape featuring a large, gnarled olive tree in the foreground on the left. The sun is setting behind the tree's canopy, creating a bright starburst effect and casting a warm, golden glow across the scene. In the background, several smaller olive trees are scattered across a field of dry grass under a hazy, orange-tinted sky.

ABOUT KARMA

For over a decade, Karma Group has turned houses into homes.

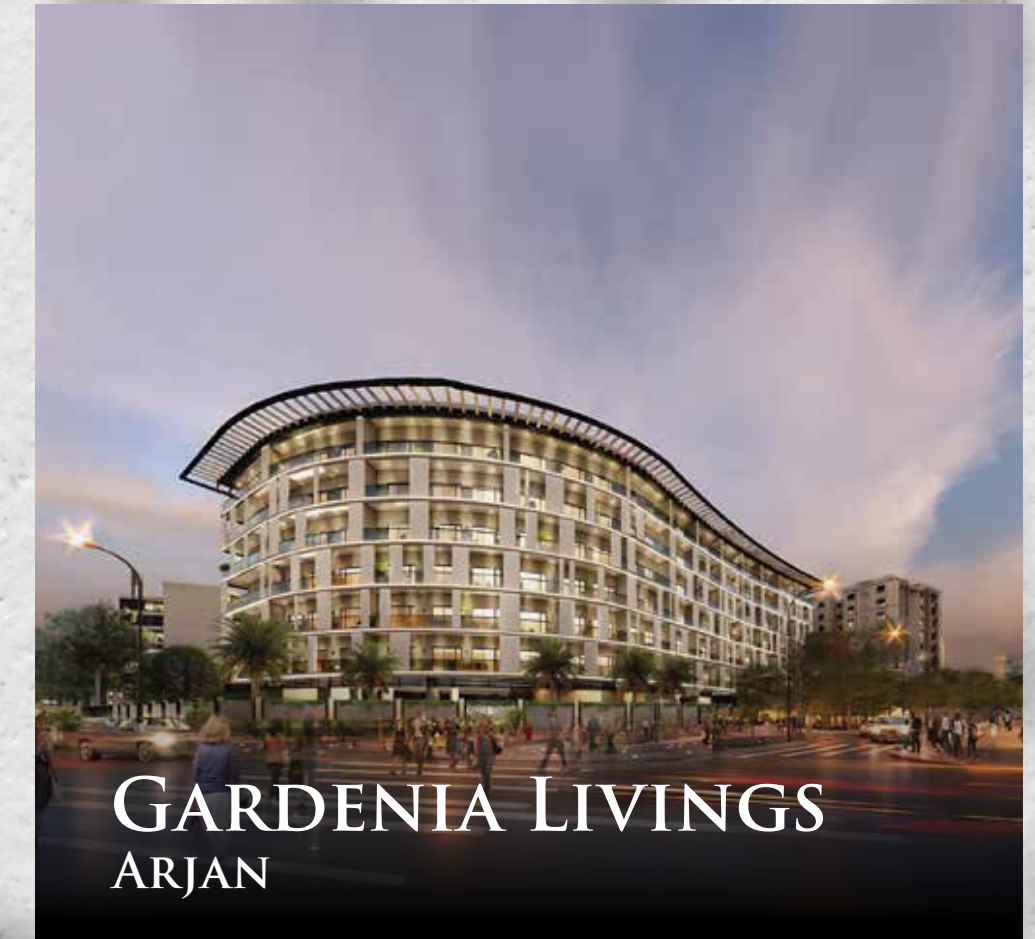

From Dubai to cities around the world, we bring thoughtful design, enduring quality,
and a personal touch to every project we deliver.

With more than 25 developments across the UAE, UK, Cyprus, Romania, and
Strategic Investments in Australia, our work reflects a simple belief: when we build
with care, we build trust & that trust travels across borders.
