ANAX
DEVELOPMENTS

THE VISION

E LLE Residences Dubai Islands is a bold new expression of coastal living experience. Conceived by ANAX Developments with creative direction by branded real estate experts, The One Atelier and ARQUINAUT, the project channels ELLE's iconic spirit into a curated experience of style, sophistication, and individuality, all set against a glittering backdrop of the Arabian Gulf.

Every detail has been artfully considered to reflect ELLE's editorial edge and cultural influence. From the sculptural lines of the architecture to the refined palette of the interiors, the residences blur the boundaries between fashion, hospitality, and home, redefining what it means to live with style.

THE BRAND

ELLE is a globally recognized fashion and lifestyle media brand, known for its focus on fashion, beauty, and culture, with a strong emphasis on inspiring women to explore style in all aspects of their lives. It's recognized for its inclusive and innovative content, and aims to be a source of inspiration for intelligent women seeking the new and next.

*One
of the most
influential
brands*

SINCE 1945...
& FOREVER

A legacy of style, FOR MODERN LIVING

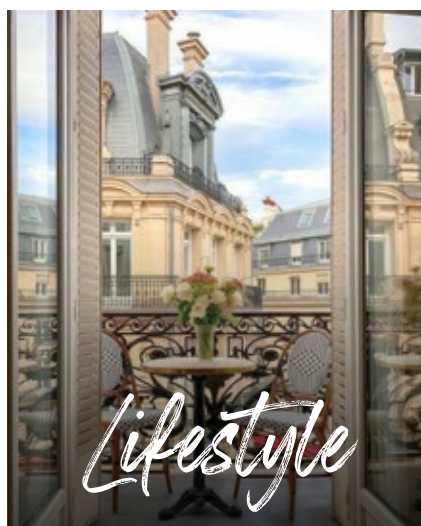

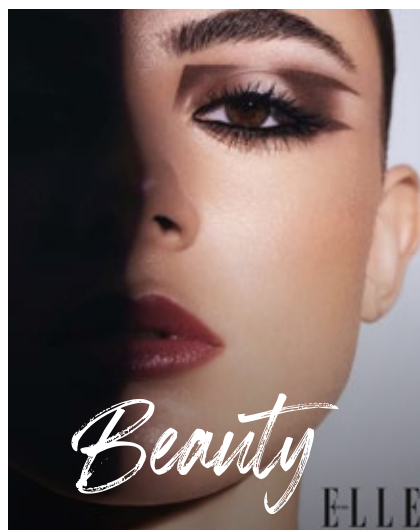

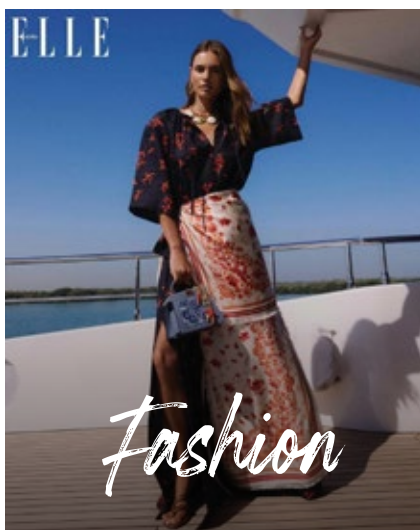

ELLE has shaped fashion, beauty, culture, and interiors for eight decades. Building on this heritage, the brand has extended its vision into real estate, first debuting in Miami with a new model of branded living. Now, that story continues in Dubai, where design, lifestyle, and service converge to create residences with a distinctly ELLE essence character.

THE PHILOSOPHY

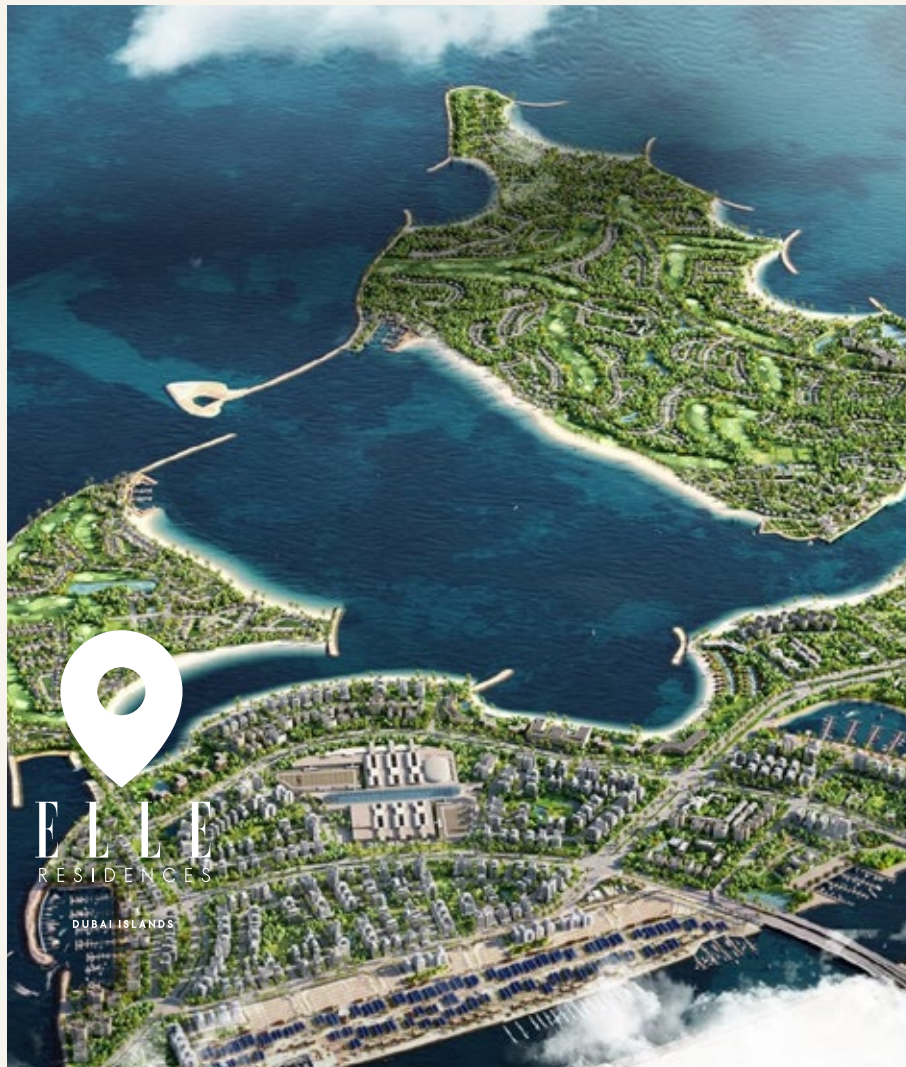

E LLE Residences Dubai Islands opens a new chapter in the brand's legacy, introducing a lifestyle where architecture, interiors, and services carry the same editorial spirit that has shaped fashion and culture worldwide. Blending Parisian flair with Dubai's energy, the

residences go beyond a home to offer access to a curated community & exclusive club by ELLE. Every space reflects the brand's five pillars, fashion, beauty, culture, lifestyle, and society, bringing its iconic voice into daily living and setting a benchmark for branded residences in the region.

THE LOCATION

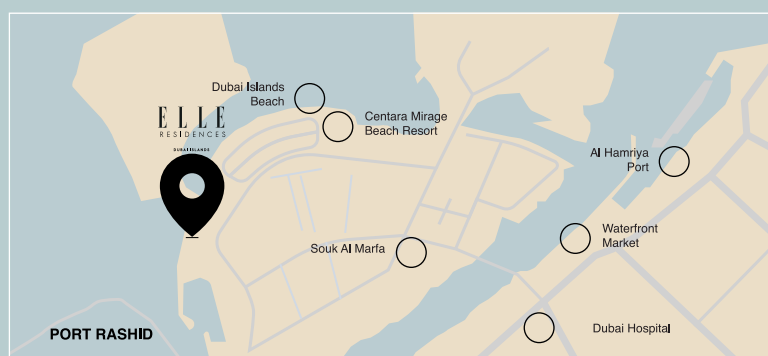

Dubai Islands is a new coastal destination reshaping the city's northern shoreline. Made up of five interconnected islands, it spans 17 square kilometers with over 20 kilometers of beaches, green spaces, and vibrant waterfronts, offering a seamless blend of seafront living and city convenience, just minutes from Downtown and the airport.

The Ultimate in Waterfront Living

Set on the main island of Dubai Islands, ELLE balances connectivity and privacy. With access to the central boulevard yet tucked away from the bustle, residents are steps from a park, marina, and major shopping mall. A promenade runs directly in front of the building, linking the community to the nearby beach for everyday leisure.

HIGHLIGHTS

- Tourism Magnet: 80+ hotels will drive footfall, short-let occupancy, and property values
- Seamless Access: An eight-lane bridge linking to Downtown by 2026
- Government-backed Growth: Under Dubai 2040 Plan
- Scarcity Premium: Limited waterfront plots, planned marinas, beach clubs, and a 75m yacht channel

THE LIFESTYLE

ELLE Residences Dubai Islands brings a lifestyle shaped by Parisian elegance and the spirit of the brand. Wake up to sweeping ocean views, end your evenings under starlit skies, and live surrounded by design that feels ready for print. From private terraces to interiors styled with Parisian chic, every detail is created to turn daily life into an experience worth celebrating.

Dubai's most stylish new address

Set on Dubai's most coveted coastline, ELLE Residences offers front-row access to resort living and refined design in spaces crafted with precision and style. Every detail is designed to elevate daily life in one of the city's most desirable new addresses.

DUBAI ISLANDS

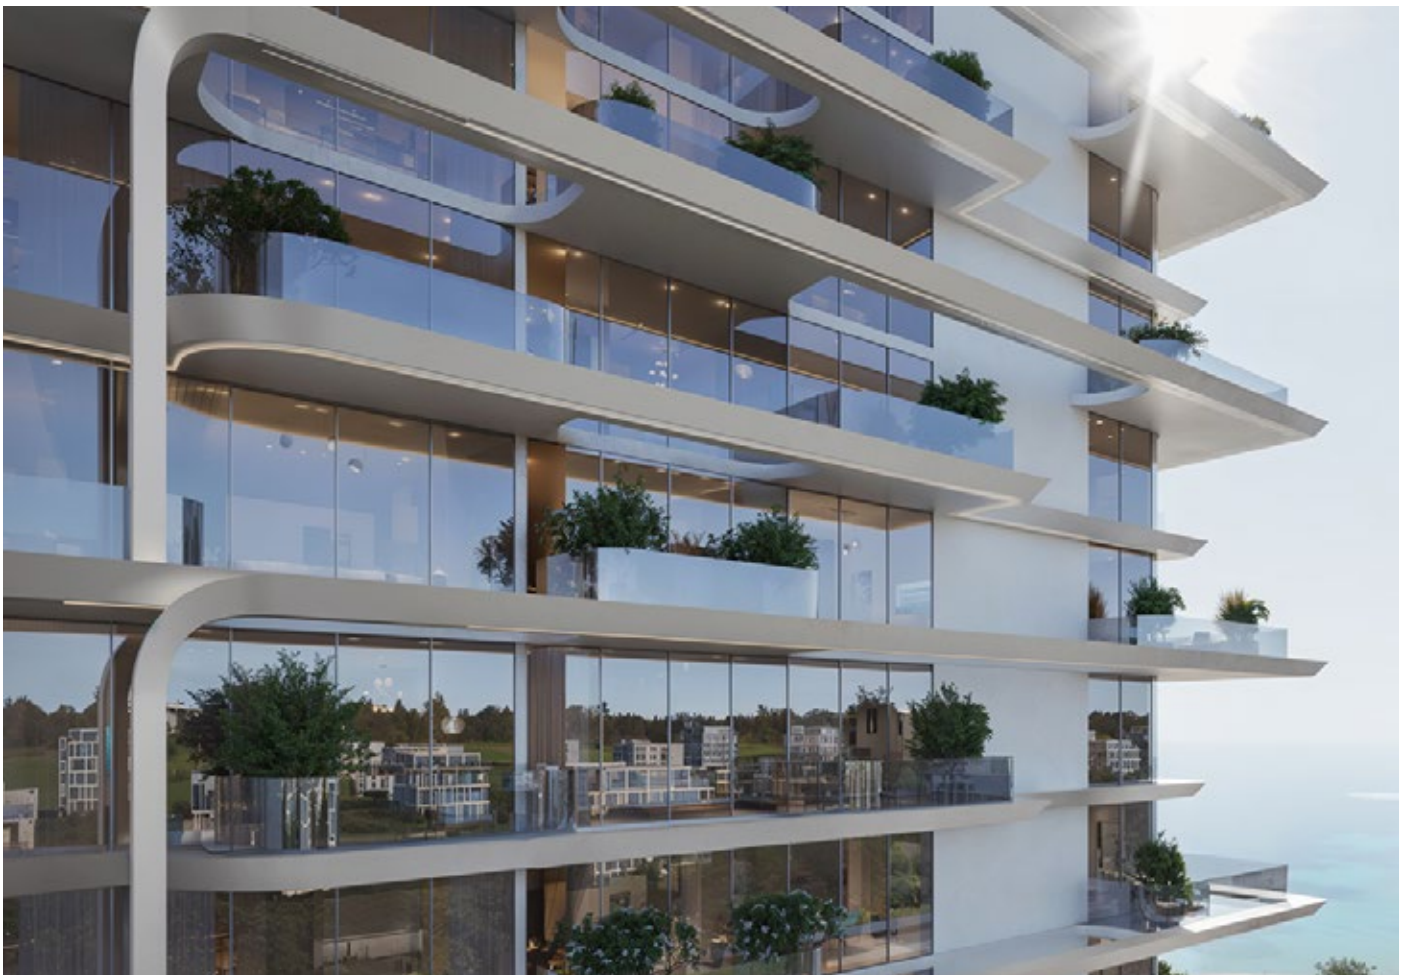

THE RESIDENCES

Where fashion, beauty, CULTURE & LIFESTYLE COLLIDE

"ELLE Residences Dubai Islands will offer a curated lifestyle that blends Parisian flair and design excellence with the energy of one of the world's most dynamic cities. We are creating something truly extraordinary: a residence that feels like a private club, a sanctuary of style and a celebration of living. We believe this is not only one of the most inspiring residential offerings in Dubai, but also a statement of what the future of urban branded living can look like."

ANAX Developments

THE DESIGN

The architecture of ELLE Residences Dubai Islands is inspired by light, movement, and seamless indoor-outdoor flow. Clean lines and soft curves create a striking presence, while private terraces open directly to waterfront views.

Every element is composed to blur the line between home and retreat, giving residents a resort-style experience in one of Dubai's most sought-after new neighbourhoods.

THE BRAND

ELLE

ELLE is the world's leading female media brand, published in 50 editions and reaching more than 250 million people every month.

Beyond its global editorial presence, ELLE has expanded into lifestyle ventures that include cafés, salons, spas, and now, residences.

Part of the Lagardère Group, one of Europe's most established media companies, ELLE brings the same authority in fashion, culture, and design to every branded project. With over 200 licensees worldwide, the brand continues to shape how people live, work, and experience style on a global scale.

INTERIOR DESIGN & CO - CREATIVE DIRECTION

The One Atelier

The One Atelier is a global leader in branded interior design, known for translating lifestyle brands into exceptional living environments. With a consultative approach and deep understanding of today's luxury consumer, the studio has partnered with some of the world's

most prestigious fashion and lifestyle names. At ELLE Residences Dubai Islands, The One Atelier brings this expertise to deliver interiors that combine precision, creativity, and a distinct sense of place, ensuring every space feels both contemporary and iconic.

BRAND REPRESENTATIVE & CO - CREATIVE DIRECTION

ARQUINAUT

ARQUINAUT is an international architecture and design studio recognised for turning brand identities into built environments across the world. Founded in 2012 by Gregory Martínez de Riquelme, the firm has delivered projects across five continents, from bespoke interiors

and private homes to high-rise towers and large-scale masterplans.

Specialising in branded real estate, ARQUINAUT brings proven expertise in translating lifestyle values into architecture, making it a trusted partner in shaping ELLE Residences Dubai Islands.

THE DEVELOPER

ANAX Developments is a future-focused real estate company under the umbrella of ANAX Holding, known for its bold design, sustainable approach, and commitment to creating connected communities.

With a vision that's truly Larger Than Life, ANAX crafts lifestyle-led spaces that blend luxury, comfort, and purpose.

DELIVERING *AED 2 Billion* | PIPELINE *AED 5 Billion*

In 2025 alone, ANAX launched over AED 2 billion worth of projects across Dubai's most sought-after locations. Building on this momentum, the company is set to deliver an ambitious AED 5 billion development pipeline over the next 18 to 24 months.

With the strength and stability of ANAX Holding behind it, the brand continues to push boundaries - driven by innovation, rooted in community, and built to leave a lasting legacy.
