# AJMAN

*The convergence of ancient traditions and  
contemporary living*

Ajman, the smallest yet most diverse of all emirates, strategically lies in the heart of UAE. It borders Sharjah and is approximately only 25 minutes to Dubai and 45 minutes to Ras Al Khaimah. Hence, it provides easy commute to other emirates.

Boasting some of the most stunning beaches around, Ajman's golden shores sit alongside untouched landscapes, misty mangroves, emerald lagoons, age-old traditions and authentic culture, along with contemporary infrastructures. An abundance of leisure activities and shopping opportunities make it a haven away from the hassles of life.

Indulge in its contemporary lifestyle, but still get lost in the tranquil world of old traditions. Discover amazing restaurants, while exploring the streets lined with impressive mansions and ancient monuments. The architectural mix of traditions with today's modern comforts, gives Ajman its own unique vibe compared to other emirates in the UAE - and it all waits to welcome you.

*A City of Ever Growing Potential and  
Investment Opportunities.*

A fast developing city, and an emerging hub for prospective investors to live and work in, Ajman's Free Zone and visa extensions for investors is injecting more liquidity in the local economy, and is boosting the underlying confidence of foreign investors.

With UAE government's new laws to grant expatriate citizenships, paired with the easing of rules to provide a more conducive atmosphere, Ajman is rapidly growing as a diverse and sustainable location, attracting large numbers of investors who are keen to tap into its lucrative business opportunities.
