THE NEW COMMUNITY IS HERE

Continuing on Premier Choice's concepts of creating value for our clients, Barari Views Limited captures the iconic location and full view of Al Barari while offering a much more pragmatic product that targets a growing and underserved central community — The Apartments in Green Environment Community.

SWIMMING POOL

PROJECT

LOCATION

PROJECT

Dubai's most desirable destination, Al Barari is located only 15 minutes away from Dubai's major social hubs and amenities.

ABOUT THE COMMUNITY

THE GREEN HEART OF DUBAI

Landmark Address

Al Barari entails a brand name recognition so strong that anyone who has spent some time in Dubai would know about it

Complete Security

A dedicated private security team manages the safety, surveillance, and wellbeing of residents 24/7 365 days a year

Neighborhood Amenities

The Al Barari Community and Neighbor hood are filled with all Facilities,
Amenities, and Services residents could need

Greenery Unlike Anywhere Else

Al Barari's reputation is not by chance, its outstandingly green identity is readily visible

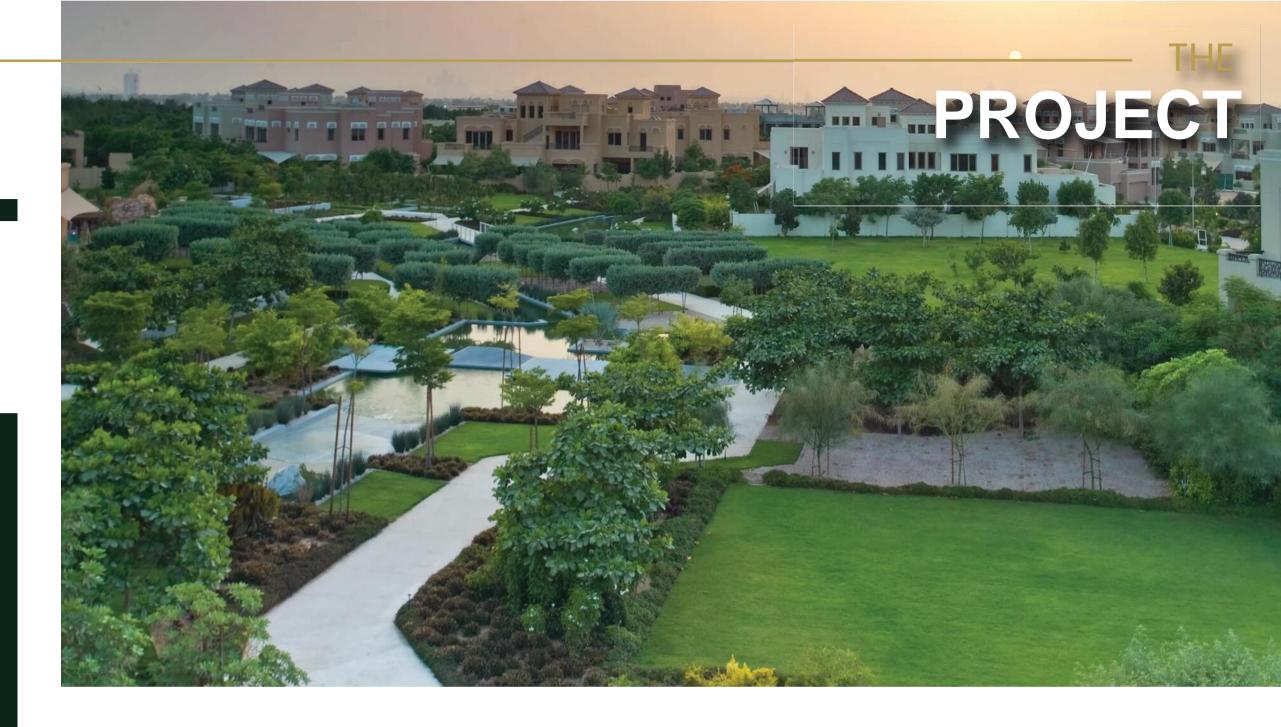

Cooler Environment

Al Barari attests to having a community temperature that is 2 Degree Celsius lower than neighboring communities at any time.

Environmentally Friendly

The communities here follow strict environmental sustainability and protection regulations creating an eco friendly atmosphere

FEEL . BREATHE . LIVE.

A unique destination. A place where you can live, stay, play, shop, dine, and work.

A multiple-award winning, eco-friendly development, the region's most desirable address. 60% of the 15.3 million square-foot development is made up of green space, beautiful themed gardens, naturally landscaped lakes and freshwater streams. At the meeting point of luxury and lifestyle discover Al Barari's homes known for their spacious design, eco-friendly approach, and uninterrupted views.
