ABOUT US

Al Waleed Group is a highly regarded, multi-faceted business group based in UAE. Our diversified business portfolio primarily includes businesses such as Real estate development, Construction, Hospitality & Leisure and Retail.

In 1994, Al Waleed Group, Real Estate and property developer, established itself as the major business group in the UAE operated by prominent UAE Business Family.

Owing the group's business diversity, strength in the region, a professional management team carrying executive industry experience, Al Waleed Group has enjoyed a rapid growth in the last twenty eight years in various sectors.

Aligned with strategic partnerships, the Al Waleed Group of companies is positioned to be at the right place at the right time, with the right people. Indeed, the group's vast depth of resources and expertise give it the ability to meet the ever-changing needs of the market.

Al Waleed Group is committed to being at the forefront of this exciting growth and expansion, deploying its investors' capital intelligently to allow it to generate exceptional returns by providing first-class products and services for clients. And although each of the group's companies have separate and independent management structures, they all complement each other and work together in order to develop tactical partnerships that increase Return-On-Investment and successfully complete projects on time and within budget.
